Chairman

Commission on Higher Education (CHED)

C.P. Garcia, Quezon City

Dear President Aquino:

Mabuhay!

The Capiz State University 2012 Annual Report is submitted to your office for your perusal. This Annual Report presents the University's experiences and best practices toward quality education through instruction, research, extension, production, linkages and governance.

Thank you very much and God bless!

Very truly yours,

EDITHA L. MAGALLANES, Ed.D.

SUC President III

BRIEF HISTORY

Batas Pambansang Blg. 91, signed by Pres. Ferdinand E. Marcos on December 4, 1980, merged the Mambusao Agricultural and Technical College (MATEC) and the Capiz Agricultural and Fishery School (CAFS) to become the Panay State Polytechnic College (PSPC).

On August 29, 1981, Dr. Ernesto V. Botin took his oath of office as first PSPC president and was reappointed in 1986 by President Corazon C. Aquino and his term ended on July 24, 1993.

Dr. Anthony H. Navarrosa, the executive vice-president, served as OIC until the appointment of the second president, Dr. Rochellir D. Dativas took effect on October 12, 1994.

On November 4, 1998 the Capiz Institute of Technology became an integral part of the system as approved in the 54th Regular Board Meeting held at the CHED Conference Room, San Miguel Avenue, Ortigas Center, Pasig City; however, the official turnover was on October 25, 1999 while the Sigma College of Science and Technology was formally turned over on December 19, 2000.

On September 15, 2000, the Board of Trustees approved the new organizational structure of the College with three (3) existing units, namely: the Roxas City Unit, the Mambusao Unit and the Pontevedra Unit. Each unit was headed by a chancellor.

The Mambusao Unit has six (6) satellite campuses: the Burias Campus in Mambusao, Sapián Campus in Sapián, Tapaz Campus in Tapaz, Sigma Campus in Sigma, Dumarao Campus in Dumarao and Poblacion Mambusao Campus in Mambusao.

Pontevedra Unit has Pontevedra Campus in Pontevedra and Pilar Campus in Pilar while, the Roxas City Unit has the Roxas City Main Campus and the Dayao Campus.

Republic Act #9273 converted the Panay State Polytechnic College in the Province of Capiz into Capiz State University by President Gloria Macapagal Arroyo on March 21, 2004 at the Capiz Provincial Capitol, Roxas City, Capiz, Philippines.

On July 7, 2008, Dr. Editha L. Magallanes became the third president of the University and also the first lady president of the Capiz State University. In 2009, the chancellor positions of the three (3) units were abolished and each campus was headed by a campus administrator.

For its years of commitment to the challenges of education as the key factor in technological and rural development, the Capiz State University established a name in the field of tertiary education in the province of Capiz and the whole region of Western Visayas.

The Center for Administration of the University was in Roxas City Campus while the Center for Academic Affairs was in the Mambusao, Poblacion Campus.

Presently, Capiz State University has ten (10) sites strategically located in the first and second districts of Capiz. In the First District of Capiz are the Roxas City Main Campus, Dayao Campus, Pontevedra Campus and Pilar Campus while in the Second District are the Poblacion Mambusao Campus, Burias Campus, Sapián Campus, Dumarao Campus, Sigma Campus and Tapaz Campus.

The University primarily provides advanced instruction and professional training in agriculture, fishery and forestry, science and technology, arts and humanities, education and other related fields. It also undertakes research, extension, and production activities and provide progressive leadership in its areas of specialization.

The governing body of the University is the Board of Regents which shall be composed of the CHED Commissioner as the chairperson, the University President as vice chairperson, Chairperson of the committee on education, arts and culture of the Senate, Chairperson of the Committee on Higher and Technical Education, House of Representatives, Regional Directors of NEDA, DOST and DA, Presidents of the Federation of the University Student Council, Faculty Federation, Alumni Association and two (2) prominent citizens as members.

DR. MAGALLANES AS “DANGAL NG BAYAN” AWARDEE 2012

In bagging the highly-coveted Outstanding Public Official and Employee or Dangal ng Bayan Award of the Civil Service Commission out of several nominees in the country, Dr. Magallanes gave every CapSUnian and Capiceño a reason to celebrate and be proud of.

It is only fitting that the University and its officials and students started the celebration with a caravan on September 12 upon Dr. Magallanes' arrival from a trip to Manila. A program at the Dativas Gym of CapSU – Main Campus followed.

The awarding ceremony for the Finalists from Region 6 was conducted in Iloilo City on September 13. She was one out of five awardees from Western Visayas. Of the five awardees, three came from Capiz (Dr. Editha Magallanes, CapSU President; Claire Caberoy, Pharmacist RMPH; and the Capiz Provincial Health Office headed by Dr. Delfin), one from Iloilo and one from Aklan.

She formally received the award from President Benigno Simeon C. Aquino III in a simple yet elegant ceremony at the Malacañang Palace on September 19, 2012. She also received PHP 200,000 cash reward and a promotion to the next higher rank/grade.

The Dangal ng Bayan Award is given to civil servants who deserve illustrious recognition for their exemplary adherence to the norms of conduct and ethical behavior in government service pursuant to Republic Act 6713 or the Code of Conduct and Ethical Standards for Public Officials and Employees.

Dr. Magallanes poses with the other recipients of the Award and President Benigno S. Aquino III, Ombudsman Carpio-Morales and CSC Chair Francisco Duque III.

Dr. Magallanes poses beside her husband and Dr. Herminia Gomez, VP for Academic Affairs.

The Stage is set to welcome & congratulate Dr. Magallanes. (Below) CapSU students eagerly await their beloved University President.

Dr. Magallanes truly appreciates the outpouring of love for her. Way to go, Madam!!!

CAPIZ STATE UNIVERSITY PARTICIPATES IN THE 112TH
ANNIVERSARY OF THE PHILIPPINE CIVIL SERVICE:
A NARRATIVE REPORT

112th Philippine Civil Service Anniversary Theme:

KAWANI,
IKAW AY ISANG
LINGKOD BAYANI

August 23-24, 2012 marks the 3rd Human Resource Management Practitioners (HRMPs) Regional Congress. Three hundred seventy delegates attended the Fellowship Night Dinner hosted by the Capiz State University through the efforts of the president, Dr. Editha L. Magallanes together with the other key officials of the University. The affair was conducted through a “binalaybay,” a Capiznon’s gesture of showing love for poetry. Civil Service Chairman Francisco T. Duque III graced the occasion, with Gov. Victor A. Tanco, Sr., Regional Director Atty. Rodolfo Encajonado, and Asst. Director, Raymund Gonzales and other directors of the CSC.

BACKGROUND

Dr. Editha L. Magallanes, University President, proposed that Capiz State University participate in the 112th Anniversary of the Philippine Civil Service. The University's participation started even before the kick-off of the Anniversary Celebration. In August, the University had an active role during the 3rd Human Resource Management Practitioners' Regional Congress in Roxas City.

Dr. Magallanes became the pride of the University and the province when she was proclaimed as the "Dangal ng Bayan" awardee. A caravan was held in her honor.

Dr. Magallanes also made sure that the University is part of the agency's month-long celebration. Together with Dr. Editha C. Alfon, Main Campus Administrator; Dr. Herminia A. Gomez, VPAA; Dr. Amelita M. Simon, Director for Accreditation and Curriculum Dev't; Dr. Oliva A. Bataan, Chief Administrative Officer; Ms. Marilyn B. Lachica, HRMO; Ms. Emily P. Launio, AO; and Mr. Johnny D. Dariagan, Planning Officer IV; the University vowed to support the celebration by conducting the following activities: seminar for student leaders at Capiz State University – Main Campus, Race to Serve I (Fun Run) and One Stop-Shop & Photo Exhibit on Frontline Service. Dr. Bataan and Mr. Dariagan requested the assistance of Dr. Annie V. Reyes, Mr. Mark Glenn Villamor and Mr. Ian Arcega for the seminar and Mr. Arnel Van Aleligay for the Race to Serve I Fun Run. Furthermore, Mr. Dariagan asked some officers of the Young Entrepreneurs' Society of the College of Business Administration (YES-CBA) of the Capiz State University – Main Campus to help in manning the University's booth in the One Stop-Shop & Photo Exhibit.

Everybody confirmed their willingness and ability to deliver on those requests.

THE 3RD HRMP REGIONAL CONGRESS (August 23-24, 2012)

The 3rd Human Resource Management Practitioners (HRMPs) Regional Congress was held at the Kapis Mansions, Banica, Roxas City. All preparations were spearheaded by the Capiz Council of Human Resource Management Practitioners (CCHRMP) as host headed by Mr. Johnny D. Dariagan, President of the Regional Council of Personnel Officers and of the CCHRMP and Atty. Maria Lina P. Gonzaga, Director II, CSC Capiz Field Office.

Capiz State University, through the efforts and generosity of Dr. Magallanes, hosted the Fellowship Night Dinner on August 23, 2012 which was held at the Dadas Gym of CapSU – Main Campus. Approximately 500 guests and participants enjoyed the evening. The hosting was done in Binalaybay to provide a Capiznon "feel" to go with the gastronomic feast. The University sent 19 Human Resource Management practitioners from the different campuses of the University.

Since many participants were not from the city and the province, Dr. Magallanes approved the use of the three (3) service vehicles of the University aside from the Capiz provincial bus and the Roxas City utility van for shuttling the participants from their billeting areas to the convention venue. Indeed, the participants experienced the University President's top-rate hospitality.

LIBRARY SERVICES

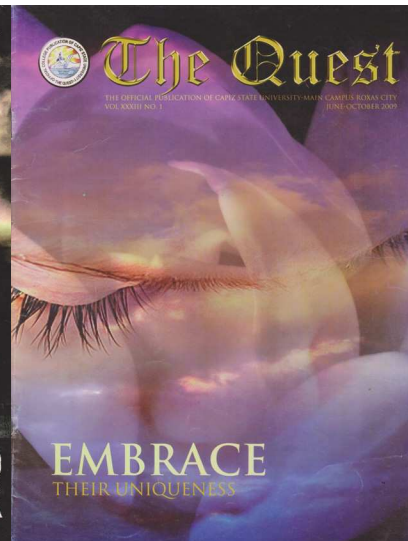

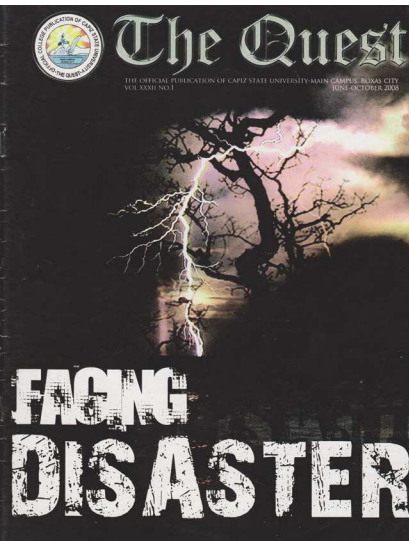

The librarians, assistant librarians, and student assistants worked hand-in-hand in giving best services to the students of the ten (10) campuses. The facilities of the library have been updated so that everyone can acquire better learning. Periodicals and latest editions of books have been provided for by the University so that the faculty and students can enrich their knowledge and skills and at the same time, to be that competitive.

STUDENT PUBLICATION SERVICES

The advisers of the different school publications shared their potentials and capabilities to the students in literary works, news writing, editing, copywriting/editing and many more. The students were sent to various seminars to improve themselves in written and oral communications. Some students also received regional and national awards.

FOOD SERVICES

The University offered nutritious and affordable healthy foods. Sanitary licenses have been secured to safeguard the health of the students, the faculty, staff, administration and visiting clientele. Professors in food technology and hotel and restaurant management also assist the management in food care and safety.

STUDENT ORGANIZATION SERVICES

The advisers of the different student organizations/federation contributed much in improving the students' outlook in life especially in their studies, moral and social development, in caring the environment and school facilities, in joining various programs like blood-letting, earthquake drill, fire drill, environmental concerns and personal hygiene.

ACCREDITATION: THE CAMPUS EXPERIENCE

Like any other institution of higher education, the Capiz State University (CapSU) has undergone a significant transformation through accreditation. The undertaking though laborious and exciting, proved to be fulfilling and rewarding- mobilize every campus of the University towards its incessant quest for quality education. To CapSU, accreditation is a way of life.

Providing quality education to students is the University's priority. One way to attain this is by subjecting all programs for accreditation.

The accreditation process enables the university to improve teaching and learning activities and at the time, upgrade the physical and laboratory facilities of the system.

For 2012, CapSU Dumarao Campus submitted the DVM and BS Criminology for Level I while Sigma Campus submitted the BS Tourism Management for First Survey.

SPORTS AND CULTURAL ACTIVITIES

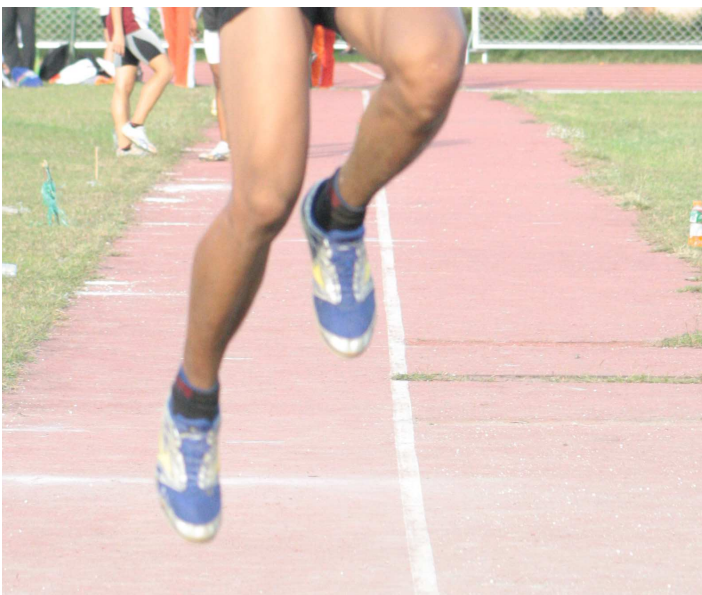

Aside from teaching/learning activities, the students must also be exposed to sports and cultural activities, too. Some of these include:

- Street Dancing that garnered 2nd place during the INILUSAN Festival 2012 on November 26, 2012 participated by the selected High School students
- Parade and Exhibition of the Drum and Lyre Corps of the Roxas City Main Campus, Pontevedra Campus, Burias Campus and Dayao Campus during the:
 - 2012 Inter-Campus Meet in CapSU Main Campus on October 2, 2012
 - 2012 Inilusan Festival in Mambusao, Capiz on November 24, 2012
- Drum and Lyre Competition of Burias Campus garnered 2nd place in Roxas City on December 6, 2012
- Search for Mr. & Ms. Inilusan 2012 in Mambusao, Capiz on November 22, 2012 represented by Ms. Rochar Roma (First Runner-up) and Mr. Jose Martin Frac
- Sinadya sa Halaran in Roxas City Plaza on December 7, 2012 participated by selected students of Jamindan Extension
- National SCUAA Cultural Contest in Manila on December 12, 2012 by Lordelyn Pauya and Raymund Lumbo (Vocal Duet); Dagliang Talumpati, Rizza Andutan; Essay Writing, Mae Lorrein Alavaro; Visual Arts Charcoal Rendering, Erl John Silva; and Pagsusulat ng Sanaysay, Gerlyn Alvarez
- Dance Sports

Sports and cultural presentations contribute to physical and social development of the students which could be of great help to them in the future.

Athletes competing in running, swimming and football events proved their worth in sports and showed the true meaning of sportsmanship.

On December 17-21, 2012... the Capiz State University hosted the 2012 Regional SCUAA Olympics. The Villareal Stadium, the Capiz Gymnasium, Filamer Christian University, Congressman Ramon A. Arnaldo High School, Banica Elementary School, the Dinggoy Roxas Civic Center and the RML Baybay Beach joined hands in accommodating the athletes, coaches, officials and participants through various sports activities. SUC presidents, vice-presidents and other key officials supported the SCUAA Olympics. The Roxas City government headed by Mayor Alan Celino and the provincial government, headed by Gov. Tanco, Sr. and Vice-Governor Contreras sponsored the Mayor's Night as well as the Governor's Night. SCUAA Olympics 2012 turned out very successful.

TRAININGS/SEMINARS/ CONFERENCES ATTENDED BY THE FACULTY AND STAFF

The ultimate worth of professional development for the faculty and staff plays a big role in the development of student learning. As the University continues to serve the students and the community, there is a need to support everyone in the academe to grow further. Such growth could be attributed through participation in seminars, trainings and conferences. The table shows the output on said activities and the detail could be seen in the succeeding pages.

THE PRESIDENT CONTINUOUSLY SUPPORTS THE ACADEMIC GROWTH OF THE FACULTY. THE CAMPUS ADMINISTRATORS ALSO GIVE THE TEACHERS THE CHANCE TO GO ON SCHOOLING AS FULL-TIME SCHOLARS, AND ON OFFICIAL TIME. TEN MORE FACULTY MEMBERS WILL GRADUATE IN THEIR DOCTORAL DEGREES AND FIVE (5) FOR THE MASTERAL DEGREES IN MARCH OF 2013.

THIS INDICATES A STRONG FACULTY FORCE FOR THE UNIVERSITY.

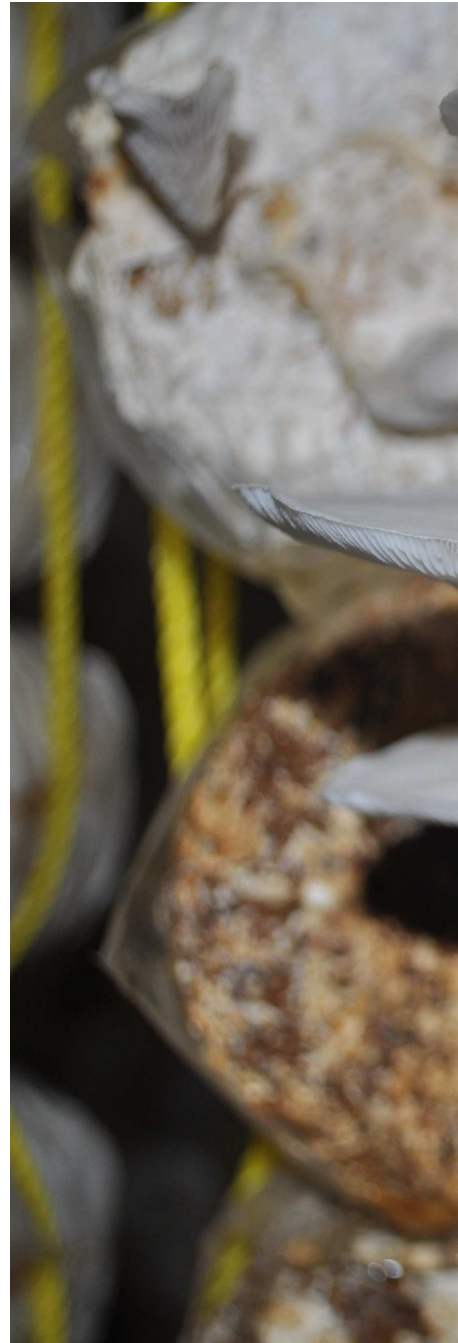

TRAININGS AND SEMINARS

Majority of the plantilla faculty and staff attended various seminars and trainings to keep abreast of the latest technologies. Among these were the GSIS, PhilHealth, BIR, Sexual Harrassment and many more.

Said seminars/trainings were categorized as: social, regional, national and international. Mr. Mark Glenn Villamor, Prof. Giena Odicta and Prof. Annie Reyes have been international awardees, too.

- THE KR-2 PROGRAM OF NATIONAL ECONOMIC DEVELOPMENT AUTHORITY (NEDA-RO6) GRANTED CAPIZ STATE UNIVERSITY A MUSHROOM PRODUCTION PROGRAM.
- THE UNIVERSITY WAS ALSO IDENTIFIED AS THE CENTER FOR TRAINING IN MUSHROOM PRODUCTION
- THE PROJECT ALSO SUPPORT FOOD SECURITY PROGRAM OF THE PROVINCE OF CAPIZ.

More mushroom production... more trainings...
more researches... better growth and
development... prosperity to all

Various Extension Services linked as One

CAPSU PARTICIPATED AS IMPLEMENTING PARTNER OF THE BUREAU OF FISHERIES AND AQUATIC RESOURCES (BFAR6) IN AQUASILVICULTURE PROGRAM.

THE PROGRAM IS ANCHORED TO ACHIEVE FOOD SECURITY, PROMOTE SUSTAINABLE DEVELOPMENT OF FISHERIES RESOURCES AND REDUCE POVERTY INCIDENCE AMONG FISHERFOLKS.

RESEARCH SERVICES

The University is exerting efforts through research activities that would contribute to the development not only of Capiz but also of the country.

Thus, the focus of research activities is being anchored to major commodities in the community.

UPLAND RICE RESEARCH AND DEVELOPMENT PROJECT

The Capiz State University through the support of the Commission on Higher Education collected different indigenous upland rice varieties and introduced technology intervention such as planting methods, different weeding methods, and fertilization methods.

EXTENSION SERVICES

The University's Extension services proved meaningful and useful. The various services extended to the community/clientele strengthened the link of CapSU to other municipalities that in return the learned knowledge and skills as well as values formation improved their economic status in life.

To sum up, 51 extension services in many concerns were done with 2, 224 attendees mostly farmers, out of school youths, the underprivileged, housewives and others. The technology transfer dealt with:

TECHNO GABAY PROGRAM

Accomplishment Reports

The Techno Gabay (TG) Program of the Capiz State University has been productive since the third quarter of 2011 to the present. Various activities and programs have been implemented which benefited the farmers and other clients.

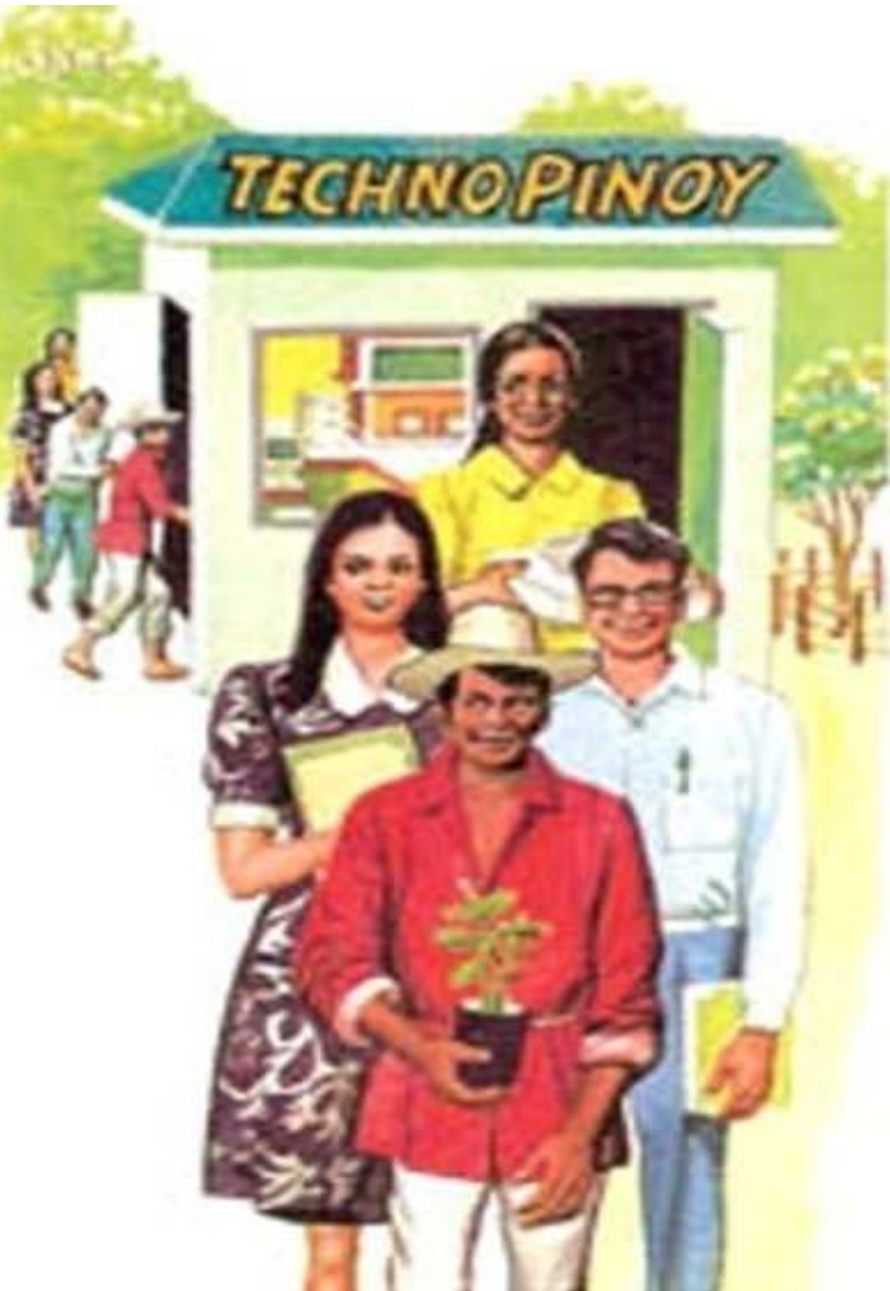

The year 2012 accomplishments include:

1. coordination activities and representations;
2. numerous skills and livelihood trainings;
3. attendance in capability building initiatives and
4. documentation assistance for varied groups;

Rationale

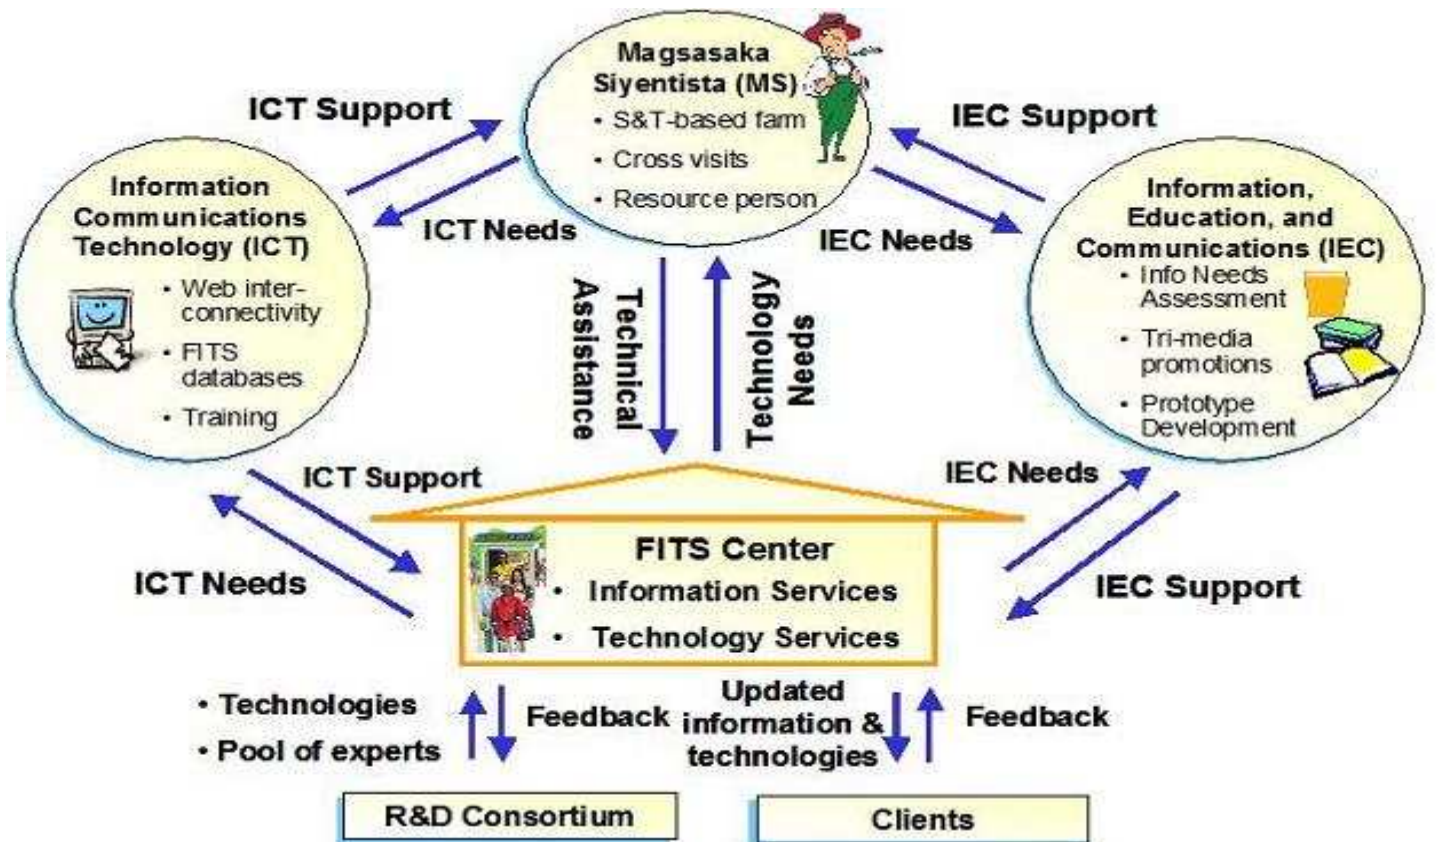

The role of CapSU as a Partner Member Agency of the Western Visayas Agriculture Resources Research and Development Consortium (WESVARRDEC) can be best understood through the Techno Gabay Program (TGP) of the Philippine Council for Agriculture, Aquatic, Forestry & Natural Resources Research and Development (PCAARRD).

Project Description

Designed to bring science-based information & technology services to the end users in agriculture, forestry & natural resources (AFNR) sectors, Techno Gabay Program (TGP) works through networking of research & development (R&D) institutions in AFNR sectors, the regional consortia & the private sector, the local government units (LGUs), nongovernment organizations (NGOs) and other extension service providers.

The Techno Gabay Framework

As a PMA, CapSU has committed to help establish Farmers' Information and Technology Services (FITS) Centers in the province of Capiz in support of the Techno Gabay Program.

THE TIRELESS EXTENSIONIST

Capiz State University Techno Gabay Team Leader Eduardo Navarra briefs the Tico farmers on the relevance of the Farmers Information and Technology Services (FITS) Center in Panay, Capiz. He also advocates the advantages of organic farming.

The Capiz State University is one of the 29 consortium members agencies (CMA) and one of the 14 partner members agencies (PMA) of WESVARDEC.

TGP uses modalities or varied means to facilitate the promotion, utilization, & commercialization of technologies developed by member agencies.

Technology services include technologies trainings, technology clinics, connection of clients with experts and financial institutions, technical assistance and consultancy.

Information services include

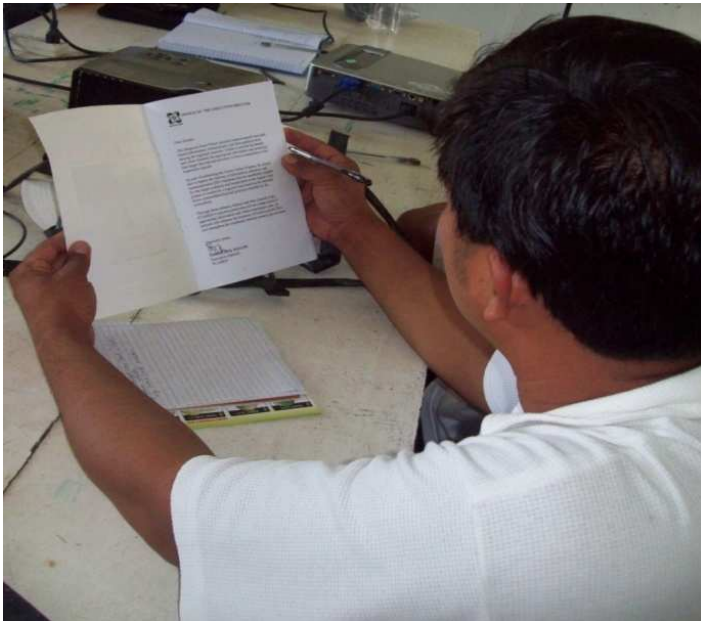

Magsasaka Siyentista and S&T-based farm. The Magsasaka Siyentista (MS) is an outstanding farmer in the area who is successful in his/her use of S&T-based and indigenous technologies.

The MS serves as resource person during the technology training, clinics, and seminars; provides technical assistance and hands-on training during cross-visits of other farmers;

ABAKANAPAKABUSYKOPALA

MS Igmedio Llamelo manages two abaca plantations, one in barangay Esperanza and another in barangay Sto Rosario, both in Jamindan. He observes these steps in undertaking the establishment of abaca nursery.

READ AND RIGHT

Capiz State University helps make printed materials such as primers (see photo), brochures and other media available to the beneficiary farmers, their target clientele.

The Magsasaka Siyentista also promotes S&T-based farm which showcases the effectiveness of S&T intervention in improving farm productivity and income; and extends farmer-to-farmer advisory services.

OBJECTIVES

1. Sustain the established FITS Centers in the province of Capiz;
2. Help facilitate and identify one farmer scientist for every FITS Center;
3. Help provide farmers & researchers fast access to practicable agricultural information and technologies;
4. Train FITS Center managers and staff on various capacities to benefit their communities.

REPRESENTATION, COORDINATION & ADVOCACY

HAVE MONEY, WILL SPEND

Former RACG Coordinator Cora Navarra (top, far right) of WESVARRDEC briefs the FITS Center Managers on the updates of PCAARRD and WESVARRDEC during the first quarter meeting of the Techno Gabay Team of the Capiz State University. Susan Dordas of Dao FITS Center led the accomplishment reports.

MR. COORDINATOR

TGTL Eduardo Navarra (left) coordinates with the local government of President Roxas under the leadership of Mayor Raymund Locsin (far right).

JAMINDAN FITS CENTER MONITORING

Eduardo Navarra periodically visits the FITS Centers to update them on WESVARRDEC and PCAARRD activities, among others. He also assists their personnel in agricultural technologies.

PANAY FITS CENTER MONITORING

Eduardo Navarra periodically monitors the FITS Centers across the province through actual visits and involvements in their activities and projects. Here, he orients staff Edylyn Mendez on the importance of using the logbook to record all types of visitors or clients who visit their FITS Center.

THANK YOU FOR COMING

Former RACG Coordinator Cora Navarra (top, far right) of the WESVARRDEC briefs the FITS Center Managers on the updates of PCAARRD and WESVARRDEC during the first quarter meeting of the Techno Gabay Team of the Capiz State University. TG Team Leader Eduardo Navarra also led the PMA updates for the FITS Centers.

PARTICIPATION IN THE 2012 CAPIZTAHAN

CapSU's FITS centers personnel took part in the 2012 Capiztahan at the Provincial Park for one week, including Bernie Protacio of Dumalag FITS Center who brought the bamboo products of their MS Fancubila, among others.

EXTENSION ASSOCIATE PROMOTES TECHNO GABAY ON ALTO CABLE TV

UEA Nino Manaog represented TG TL Navarra during one of the TWG Bamboo Meetings led by DAR, DTI and DOST and hosted by the Dumalag FITS Center.

DOCUMENTATION ACTIVITIES

NO READ, NO RIGHT

Based on agricultural technologies practiced by experts, Capiz State University prints reading materials such as brochures and other media available to the beneficiary farmers, their target clientele whose productivity they wish to increase.

SUPPORTING PCAARRD'S FIESTA AT THE 2012 MANGGAHAN FESTIVAL AT GUIMARAS

This simple technology is ideal for all kinds of farms because it can be made using locally available household materials, making it a cost-effective alternative.

TRAININGS

ORGANIC AGRICULTURE CHAMPIONS

Organic agriculture is alive in Dao, Capiz, as shown in this collage— Dao Sangguniang Bayan Member Deogracias Tianchon (top left), chairman for agriculture, guides his constituents representing three sectors—teachers, barangay officials, and municipal employees—in pursuing organic farming to productivity; organic farming solutions and produce were exhibited during the two-day lecture demo (center photos); and TSS Genes Estialbo sells natural farming solutions to a farmer.

ORGANIC AGRICULTURE PROMOTERS

(Clockwise from top left) TSS Genes Estialbo, assisted by Elisa Ledesma, leads the demonstration on making natural fertilizers; DA-RFU 6's Hector Peñaranda stresses the importance of organic agriculture endorsed by the national government; Dao FITS Center Manager Susan Dordas briefs the participants on the ill effects of climate change; teachers and barangay officials listen to the lectures; and ATI's Mary Ann Ramos and Erwin Mateo of Dao FITS Center share their expertise to the Dao constituents.

EXTENSION NATION

Jamindan farmers participants take stock of the initiative led by the Jamindan FITS Center and supported by the Agricultural Training Institute and the Capiz State University.

MAG-ORGANIC KITA

Agriculturist II Antonio Llorente of the ATI (far left, top) and Techno Gabay Team Leader Eduardo Navarra of CapSU (far right, bottom) led the Jamindan farmers in maximizing organic farming practices for productivity. Barangay officials and women volunteers alike took active part in the initiative led by the Jamindan FITS Center.

EVERYBODY, SAY ORGANIC!

Participants and facilitators of the organic farming training led by Jamindan FITS Center and supported by ATI and CapSU.

DAO PROMOTES ORGANICS

Dao's barangay officials also worked together to initiate a series of activities in their localities through the assistance of the Dao FITS Center. Among them are the orientation lectures on the advantages of organic farming, conduct of farmers' classes with emphasis on the production of organic fertilizers, and the adoption of the Environment Code of the municipality of Dao.

STARTING THEM YOUNG

Through the initiative of Ms. Lorie Legada (far left), TG Team Leader Eduardo Navarra (second from left) lectured on organic farming practices and promoted vermi-composting to senior students of Mambusao National High School in Tumalalud, Mambusao, Capiz. Navarra encouraged the next batch of high school researchers to take on the research projects seriously so they could also win in the national competitions this year.

YOUNG AND ORGANIC

Senior students of Mambusao National High School in Tumalalud, Mambusao, Capiz take stock of the sample indigenous microorganisms brought by Mr. Navarra.

“YOU ARE THE SALT OF THE EARTH”

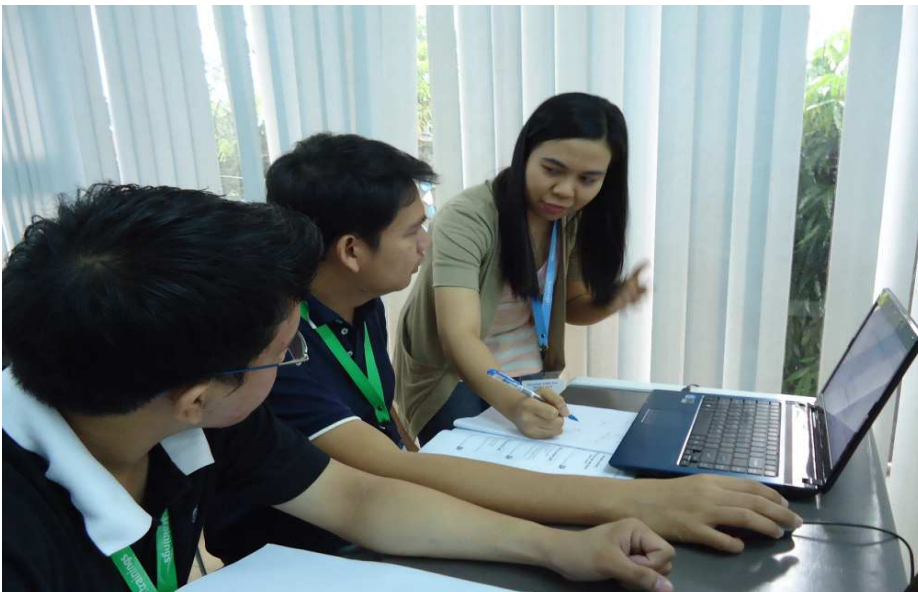

To teach the upland farmers in their locality on sloping agricultural land technology and similar farming practices, the President Roxas FITS Center led by its manager, Leonardo Barcenas, conducted the Sloping Agricultural Land Technology (SALT) on July 19–20, 2012 at the President Roxas FITS Center, President Roxas, Capiz.

Capiz State University’s Eduardo Navarra also shared to the farmers-participants practical knowledge on how they can improve their farming techniques. Navarra likewise promoted the use of organic farming practices.

**DAO ORGANICS ADVOCATES INVADE
PRESIDENT ROXAS**

Dao FITS Center's Susan Dordas and Genes Estialbo promote organic farming practices as far as their fellow FITS Center in President Roxas, Capiz during the latter's sponsored organic training workshop in July 2012.

FUNCTIONAL LEARNING

Participants from eight FITS Centers maximize the opportunity to enhance their skills which they can apply in their respective offices. The training team was joined by Mr. Antonio Llorente (top, far left), Agriculturist II of the Agricultural Training Institute Region 6 based in Banga, Aklan.

INFORM. EDUCATE. COMMUNICATE.

CAPSU PRESIDENT PROMOTES TECHNO GABAY ON CABLE TV

In June 2012, Dr. Editha L. Magallanes promoted Capiz State University through Research and Extension Services and the Techno Gabay programs and services.

SIGNIFICANT OBSERVATIONS

PRESIDENT EDITHA MAGALLANES BACKS TGP ACTIVITIES

The University President has fully supported the activities of Techno Gabay, approving all training requests, and requests for resource speakers. This significantly contributed to the attainment of the objectives of this special program.

RECOMMENDATIONS

The Techno Gabay (TG) Program of the Capiz State University has been productive and based on the year's accomplishments, Techno Gabay recommends the following tasks:

1. Reinforce full support in coordination activities and representations;
2. Enrich and reinforce advocacy initiatives through partnerships with media entities and networking
3. Sustain skills trainings with needed expertise;
4. Increase capability building initiatives for the staff and FITS Center personnel and
5. Publish official documentation and reports through an assessment study

PRODUCTION

The production area of the Capiz State University is taken care of by the UBAO director, Dr. Pedro G. Gavino together with the production chairmen of the ten (10) campuses. The income of the campus is submitted monthly to update the income of the entire system.

Dr. Pedro G. Gavino, UBAO Director

For the year 2012, the campus with the highest gross income was the Pontevedra Campus with Php 1, 896, 596.25; followed by the University Printing House with Php 1, 083, 456.00; Dayao Campus with Php 691, 993.55; Roxas City Main Campus with Php 266, 717.00; and Burias Campus with Php 244, 965.30. The least production of income were coming from Poblacion Mambusao with Php 22, 058.00; Tapaz Campus with Php 22, 501.00; Pilar Campus with Php 24, 030.00; and Dumarao Campus with Php 38, 670.00.

As to commodities, the highest source of income can be traced from the fishponds, the University Printing House, rentals, review classes, sugarcane, rice and coconuts while orchards were found to have the least income.

To summarize, the total gross income of the University amounted to Php 4, 584, 862.10 for the year 2012.

LINKAGES

The page features a large, abstract graphic on the right side consisting of several concentric, overlapping circles in various shades of blue and purple. On the left side, there are three solid squares of different colors: a red square at the top, a light purple square in the middle, and a dark blue square at the bottom. The word "LINKAGES" is centered in the upper half of the page, overlaid on the circular graphic.

“No man is an island”

“In unity, there is strength”

“In commitment, there is progress”

The three adages show the manner how Capiz State University has travelled that far and how linkages become the channels for change.

The International linkages have brought prestige to the academe and served as inspiration to the faculty, staff, students and the community. Various technologies have been shared and enrich the vision, mission and goals of the University.

The National linkages also strengthened the ties of the academe and that of the other agencies. Exchange of ideas and experiences proved useful and meaningful in delivering best practices in instruction, research, extension, production and governance.

While Local linkages have shown responsiveness to the needs of everyone in various aspects like social, spiritual, economic status and moral aspects in life.
